

Daily rosary

In these very stressful times of the COVID-19 pandemic, with it's social distancing and other personal protection measures, it is essential that we find alternate means of staying connected in our Faith, especially during this Lenten Season.

To this end, our Knights of Columbus Council has figured out a way to get together while still remaining safe. They have set up a Teleconference Call account with "Free Conference Call.Com" which allows numerous people to call into a designated phone number and talk among themselves. This is ideal for meetings and group prayer sessions, such as praying the rosary together. There is no cost for this service unless you DO NOT have unlimited long distance on your phone.

So, starting this Saturday, April 4th, we will begin using this technology to say a daily rosary. We will begin at 7:00 PM each evening, except for Wednesday, the 8th, at which time we will begin at 6:30 PM. Please call tom Lealos at: 764-3664 to volunteer to lead the daily session which suits you best.

To join this teleconferenced rosary simply dial 1(978)990-5345. You will then be prompted to enter the Access Code: 559328, followed by the # sign. This will place you into the call. You are urged to be on time so we can begin and continue without interruptions.

We plan to continue this daily rosary as long as this pandemic holds our country and our church hostage.
